

The Mains of Taymouth Country Estate is set in the very heart of Scotland in the beautiful Highland Perthshire. The stunning courtyard 19th Century traditional buildings have been tastefully renovated into luxury 4 & 5 Star self catering holiday cottages amongst the very finest anywhere in Scotland. The newer builds include 12 Castle Garden houses which sleep 6, 3 Bruadair houses which sleep up to 10, 8 gallops apartments which sleep 4 and the exciting new Maxwells villas which sleep either 2 or 4.

On the Mains of Taymouth Country Estate, we have our very own golf course which has been dubbed "Perthshire's finest 9 holes". The sweeping landscape of the estate lends itself perfectly to the course and allows for superb trekking from our very own Mains of Taymouth Stable. Why not take a ride up Drummond Hill to the Black Rock for fantastic views over the loch and East toward the village of Aberfeldy. Pick up something for dinner from the Courtyard Shop & Delicatessen or even make your own special hamper to take home to a loved one. Pop in to the Courtyard Brasserie & Bar and taste some local produce, enjoy a warming hot chocolate or a refreshing pint and relax in front of the open log fires. New for this year are our Bespoke Beauty spa treatments including massages, eyelash extensions, facials, waxing, pedicures and manicures for both the gents and the ladies.

Nearby activities in the beautiful Tay valley include quad biking, deer safaris, white water rafting, boat hire on Loch Tay, off road land rover driving, visiting the Iron Age Crannog, canyoning, fishing, swimming, hill walking, craft workshops and much, much more.

The Mains of Taymouth has everything you need for an idyllic holiday or the perfect family day out so why not discover it for yourself. For more information or to book your next holiday, please phone 01887 830226 or visit [www.taymouth.co.uk](http://www.taymouth.co.uk).
