

# Mt. Peak LTH Men

**Art. nr.**

3020-02390

brown

The true classic made from fine, durable Nubuk leather for alpine treks, even with a heavy backpack. The integrated Mammut® Motion-Control ensures great flexibility and strong lateral support. The grippy, cushioning and perfectly rolling Vibram® MT Traction sole, the soft leather lining, the cushioning memo foam around the tongue and ankle and the rubber rands complete this quality shoe.
